PRESS STATEMENT

15 JULY 2011

SINGAPORE KARATE-DO FEDERATION 'ROAD MAP'

1. Singapore Karate-Do Federation (SKF) is pleased to announce that followed a candid and frank meeting between top officials from SSC, MCYS and SKF on 20 May 2011 and the Management Committee (MC) meeting on 9 July 2011, SKF will be embarking on a 'road map' to move the sports ahead.
2. SKF is pleased to note that at the meeting, there appeared little difference in views, governances and procedures between SSC, MCYS and SKF. SKF is heartened to note that SSC & MCYS supports our role and functions as the NSA governing the sports of Karate-Do
3. SKF will be guided by SSC's CEO BG Lim vision, approach and ideas and has agreed to work on a 'road map' starting with a dialogue session at a convenient and appropriate time leading to some kind of communication with these expelled clubs in order to explore the possibilities of re-connecting with them in the future.

4. SKF also agreed to look at the possibility of engaging any talented athletes who are keen to join us in the pursuits of sports excellence and are currently working on the details to engage them. The details of engagement of these athletes will be available sometime in Oct 2011.
5. As the National Sports Association in-charge of the sports of Karate-Do, the SKF remain committed to working closely with SSC by maintaining strict standard of conduct and disciplined for its associates so that the sports and its standing will not be brought to disrepute.
6. SKF has been embarking on an active work schedule with many activities planned and run for the promotion and interest in the sports this year. We look forward to the continuing support and participation of all our affiliates and the public.

Thank you

Yours faithfully
